Dear Mrunal,

It gives me great pleasure to send you a copy of The ABA Atelier Magazine for your personal enjoyment.

Thank you for your support, encouragement, and contributions to ABA's first student art and design publication. I know that our young entrepreneurs could not have managed their project without your generous gift of time and resources.

On behalf of the entire ABA community, please accept our sincere gratitude for making a difference in our students' education. You most certainly epitomize the belief that 'education is everybody's business'.

Sincerely,

A handwritten signature in blue ink that reads 'Mona Nashman-Smith'.
